

# Breaking Bread & Barriers

Community Potluck and  
Town Hall Meeting

Conversations about the Urgent Need for  
Comprehensive Immigration Reform

**Sunday, Nov. 22, 2009, 12-1:45 pm**

**Thomas Roberts High School**

(Decorah Highschool)

100 Claiborne Drive, Decorah, IA 52101

Join your neighbors and elected officials for a conversation about comprehensive and humane immigration reform that reflects our faith-informed values.

Speakers will share their "migration" stories, which may have begun six generations ago in Norway, two decades ago in Korea, a few years back in Minnesota, or more recently in Guatemala.

Staff from Senator Harkin's office and possibly from the Dept. of Homeland Security will be participating, as well as area community leaders.

**Bring dishware and a dish to share.**

"Breaking Bread and Barriers," sponsored by the Decorah Area Faith Coalition and the Decorah Human Rights Commission, is part of The Month of Action, a nationwide effort.
